Publications

Proud | Charity Zine Collaboration

Honored with the position to create not only a piece for this LGBTQIA+ zine, but worked with coordinator to create the cover. All profits for this zine go to the Okra Project.

Wizards in Space Magazine | Vol. 6

Released in January 2021. Created a piece representing personal life during the pandemic.

Experience

Freelance Illustration | 2017 - Present

Self-motivating creativity through management of online store, while being commissioned by clients for illustration. Communicates concepts and problem-solve through clear, effective, and charming design. Projects include RSVP card design, apparel design, album covers, and presentation design layout.

Success Mortgage Partners | January 2021 - March 2021 | Marketing

Supplied vector graphics for infographics, presentations, and social media accounts. Managed over 20 social media accounts simultaneously for entire company. Aided company by creating and personalizing email and video campaigns through CRM program. Corresponded with Loan Officers to supply each with individualized branding. Implemented and organized a fresh look by coding new images and information into company's training/handbook database.

SCAD Illustration Society | 2019-2020 | President

Responsible for leading meetings, executive decision making, motivating, collaborating with outside clubs and professors, communicating with club members to get feedback in order to better prepare for future events, and show my dependability by being at every meeting, workshop, and collaboration. Led the social media accounts, and gained many skills along the way. Used humor, motivation, and communication to give the best online experience to our club members.
